Our Pregnancy Formula is a premium formulated supplementary food carefully crafted to support the health of mothers, pre, during and post pregnancy.

- Contains DHA, GOS & FOS
- Folic acid to reduce risk of foetal neural tube defects
- Vitamins A, B6, B12, C & D for healthy immune system
- Iron necessary for normal neurological development in the foetus
- Vitamin C & magnesium to help reduce fatigue
- Rich in Calcium
- No artificial colours & flavours
- No added Sucrose, Glucose or Maltodextrin

ORGANIC INFANT FORMULA STEP 1 (FROM 0-6 MONTHS)

Our Step 1 Infant Formula is nutritionally complete and carefully crafted to provide key ingredients which support the growth and development of babies, from birth through to 6 months of age.

- New and improved recipe with the addition on DHA, ARA and GOS
- Infant Formula is whey dominant, gentler on little stomachs and easier to digest
- Contains essential fatty acids and amino acids with all vitamins and minerals to support healthy growth and development for babies

ORGANIC FOLLOW-ON FORMULA STEP 2 (FROM 6-12 MONTHS)

Our Step 2 Follow-on Formula is nutritionally balanced and carefully crafted with key ingredients that complement the nutritional and developmental needs of growing babies from 6 months through to 12 months of age.

- New and improved recipe with the addition on DHA, ARA and GOS
- Follow-on Formula is designed to complement the diets of slightly older babies who are starting to enjoy solid foods
- Being casein dominant, our Follow-on Formula may help baby fuller for longer

ORGANIC TODDLER MILK DRINK STEP 3 (FROM 1-3 YEARS)

Our Step 3 Toddler Milk Drink is a premium formulated supplementary milk drink, carefully crafted to support active toddlers from 1 to 3 years of age, when dietary intake may be inadequate.

- New and improved recipe with added DHA, GOS
- Added iron, zinc, calcium, vitamin C, A and D for a healthy immune system
- Designed to complement the intake of solid foods, to ensure a balanced diet
- 1 cup of prepared Bellamy's Organic Toddler Milk Drink provides between 20% to 50% of the recommended dietary intake of 16 essential vitamins and minerals

ORGANIC JUNIOR MILK DRINK STEP 4 (FROM 3+ YEARS)

Our Junior Milk Drink is a premium formulated supplementary food, carefully crafted to support active young children over 3 years of age, when dietary intake may be inadequate.

- Added DHA, GOS & FOS
- Iron, Iodine & Zinc for healthy cognitive function
- Folate, Vitamins B6, B12, C & D for a healthy immune system
- Calcium, Magnesium & Vitamin D for healthy teeth & bone structure
- Vitamin A essential for normal vision
- No added Sucrose, Glucose or Maltodextrin
- No artificial colours & flavours
- Australian made
